Chateau Wedding Gastronomy

Our creative team prepares delicacies for guests under the leadership of Chef Jan Štěřba.

Our Chef is inspired by the spellbinding environment of Chateau Mcelly and the Nine Flowers of the St. George Forest. When he is putting together our wedding menu, he bases his work on the traditions of Thurn-Taxis's family, former owners of the Chateau, who lived at Chateau Mcelly until 1947, and he also finds inspiration in Grandmother Cusumano's recipes.

We will be happy to send you our complete wedding gastronomy offer upon your request.

The Piano Nobile Restaurant, which is currently among the ten best restaurants in the Czech Republic according to Maurer's Grand Restaurant Guide 2012, is open until 11:00 pm. We will also be happy to serve you during later hours. The first two hours are free. After 1:00 am, we shall invoice you CZK 5,000 per each additional hour, not including VAT.

English Park

The park surrounding Chateau Mcelly was created through gradual refinement over many generations. The chateau and park were neglected for more than sixty years. With arrival of the current owners, the requirements and demands of the park, as the ambiance for this elegant chateau hotel with modern day services, have changed. A layout of natural green walking paths was created, original precious trees and historical undergrowth were saved and now they have an opportunity to blossom properly in a clean and sunny park. You will spend many years nursing, cultivating, and evolving your relationship, and it will grow with you just as our beautiful Chateau trees. If you would like to combine this important step in your life with something exceptional that you can experience together, then plant your wedding tree in our English Park. Your tree will grow together with your relationship, and it will eventually tower beside our Chateau, just as the memory of the most beautiful day of your life. This way, you can also create new life into our ancient park, which will remain here for your children and other generations. Your tree will carry your names and the date of your wedding for distant years into the future.

The **English park** also includes an outdoor Jacuzzi, a small sauna building, natural swimming lake; multifunctional sports ground and a specially-designed natural course for cardiovascular and muscular fitness.
